Course overview

Tim & Cherub will take you on an in-depth journey through the alchemy of sound.

You will be guided through the process of creating your own sonic tool kit to assist you in upgrading your own personal frequency, rebalancing your body and mind, and opening your multi-dimensional heart to the interconnectedness of life.

From that place of inner peace, personal power and self-transformation, Tim & Cherub will help you develop the skills and confidence to practice sound therapy; both for personal experience, 1-2-1 clients and groups.

Drawing on ancient wisdom and modern science, they give you the theory plus the practical training you need to be a successful sound therapist. And you'll have fun, making likeminded friends along the way.

Course overview

Everything in our existence is created by energy flowing into form, that makes up our reality. Building an awareness of the wide spectrum of frequencies within us and all around us helps us to gain deeper levels of clarity, connection and life purpose on planet Earth.

Hearing the call to train in the alchemy of sound whispers the infinite potential of attuning to the mind of the divine, journeying deep within to feel and heal through the natural harmonies of life.

Gather in our online portal and experience an immersive journey into the alluring world of sound healing.

The 6-month training will be delivered in an informative, yet relaxed and dynamic way. There will be a mixture of talks and demo's; pre-recorded and on Zoom.

The online portal will be the central temple where you will learn the ancient art, science, theory and history of sound.

Access flexible learning: complete the course at your own pace as you learn from the experts. Gain knowledge and practical skills from seasoned professionals in a comprehensive, step-by-step course.

Develop your practical abilities at the training weekends, and gain experience of playing in pairs and groups.

“The universe is more like music than like matter”
Donald Hatch
Andrews

Award winning, internationally acclaimed musician, Tim Wheater and leading sound artist, Cherub Sanson have pioneered the field of transformational sound together for 15 years.

Tim is considered a forefather of sound healing; one of the few that introduced it to the west in 1982.

Often referred to as the masters of high frequency, Tim Wheater and Cherub are London's most highly respected healing musicians, forging the way for the sound therapy movement that exists today.

Tim has been teaching sound healing since the 90's, and together Tim & Cherub have been teaching in their unique and playful style for over a decade.

Not only teachers, but also exquisite performers, inspirational speakers and gifted musicians.

Their widespread influence can be felt beyond the classroom, and throughout the world. They have taught thousands of students, who all remain part of their sound family.

*“The knower of the mystery of sound knows the mystery of the whole universe”
Hazrat Inayat Khan*

Tim has presented his inspirational music globally, with over 20 successful albums throughout his career.

Tim is one of the few musicians who have combined academic, classical knowledge and the practical experience of music with a genuine spiritual interest and awareness of ancient wisdom.

Performing alongside leading luminaries such as Deepak Chopra, Julia Cameron, Wayne Dyer and The Dalai Lama, Tim has had an incredible effect on the world with his healing approach to sound.

Trailblazing sound artist, Cherub Sanson, has been playing, performing and teaching in the world of sound since 2011.

One of the sound leaders of her generation, Cherub has forged the path for other aspiring sound healers and played a pivotal role in shaping the landscape of therapeutic sound by bringing it to the forefront of popular consciousness.

Together Tim & Cherub are an unstoppable force of good vibrations and training with this dream duo will add a spark of sheer brilliance to your journey through sound.

What the graduates say...

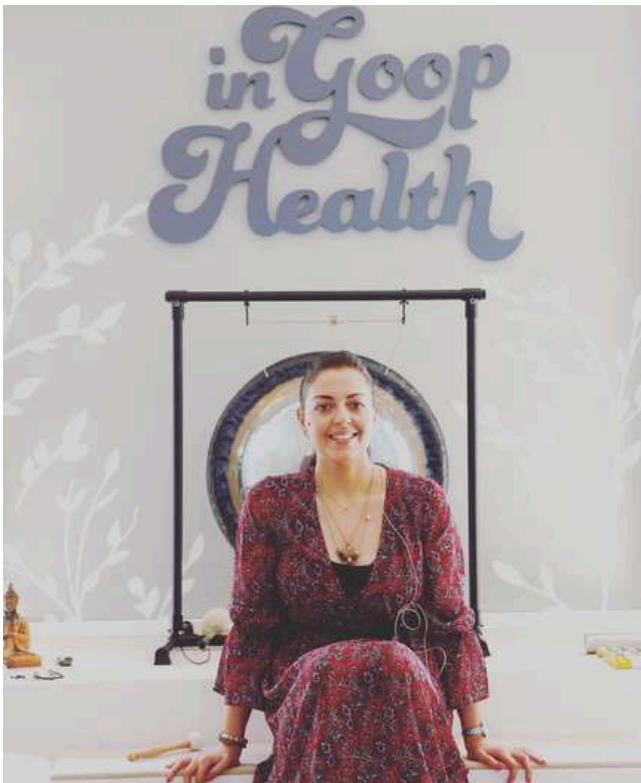

“Taking this course changed my life, it is an honour to train with true masters that are so passionate and knowledgeable about what they do. Tim & Cherub are able to unify the science with the spiritual creating a truly magical experience.”

*Steph Reynolds, sound healer and founder of House of Wisdom studio
Class of 2015*

“Tim Wheater and Cherub are authentic, warm and profoundly wise teachers. They create a welcoming space to understand and experience the power of sound. Their course is rooted in science, anecdotal stories, fundamentals and ultimately time for study and practise. Providing students with all the resources they need to be the best sound practitioner to firstly support their own health and wellbeing and be of service to others. I highly recommend.”

*Jasmin Harsono, sound healer, published author and founder of Emerald and Tiger, London
Class of 2018*

What the graduates say...

“From the moment I made the decision to take the sound healing course with Tim and Cherub, I feel like my DNA changed!

Even though I live in Los Angeles and there are plenty of trainings around where I live, I knew it had to be with these two in London.

Their approach marries science and spirit in a fun, inspiring and practical course that will set you up nicely to feel confident leading sound sessions.

But it is also just a lovely experience for those who are excited to learn more about frequency along with the benefits and history of sound healing. If you resonate with their sound sessions and style there’s really no other choice!”

Allison Bagg, sound healer and digital artist, Los Angeles
Class of 2019

“I experienced a true form of chrysalis during my training with Tim and Cherub, not only during the time spent together on the course but also the support and encouragement thereafter. This duo is not only a dynamic force to be reckoned with but incredibly knowledgeable, fun and truly enchanting. Their training has awakened a deeper understanding of sonic sounds and frequencies to bring to my sound healing ceremonies. I cannot recommend these oracles enough.”

Lia Nelisson, Sound alchemist, Hertfordshire
Class of 2019

What the graduates say...

"It was a dream come true to enroll as a student with Cherub and Tim! I came into the course wanting to deepen my knowledge of sound, and left with so much more than words can express!

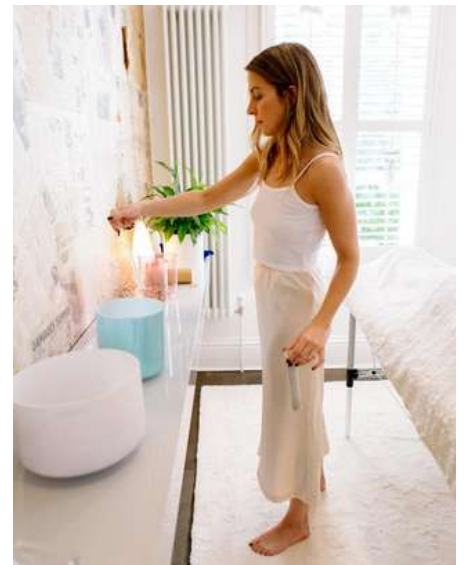

I have always loved the saying if you want to learn a new skill, find the best in the field, and that is truly what training with this magnificent sound duo has been.

It has been an honour to learn from them both, the depth of wisdom and knowledge they share really shows. Not only are they experts in the craft with years of experience, the love and passion for the power of sound is something they embody and this is truly what makes being apart of their training feel like you are not just welcomed into a community, but a sound family! It has ignited such a love for sound and it's healing benefits within me that I will take with me forever.
